

Historical Miniature Gaming Society-Pacific Southwest Game Submission Form

Desert-Wars 2022 March 19th and 20th Mesa Convention Center

Form needs to be complete and sent before Jan 31st, 2022. Table assignments start Oct 1st 2021

The purpose of the information on this form is to make your game more attractive to convention attendees. Please write accordingly. If you need any help, call the Convention Manager. The name of the game should lead with the year of the battle being depicted. e.g. 1914-The Battle of Jutland-The Run to the South.

Name of the Game: _____

Your name should include the name of your club and preferred your contact info (Email, Address, Phone Number; we need whatever method that you want to use for potential players to contact you prior to the event.)

Your Name: _____

Doors open for the public at 9:00AM Saturday and Sunday. We will close at 7:00pm on Saturday and 6:00PM on Sunday.

Date(s) and Time(s) and Length of Game: _____

Renting space is very expensive; one way to help is to allow us to arrange two or more games per day on the table. For really long games, consider scheduling a specific time for lunch break. If your game is half day, please start at 9:00AM or 2:00PM so we can use the table twice in the day. Setup time starts at 7:00AM Saturday and 7:00AM Sun.

Setup Time and Takedown Time and Scheduled breaks: _____

Name of the rules used, publisher and edition. Provide a link to their website and the name of a local store that sells the game. We want to encourage the players to come prepared for the game. If the rules are "Homebrew" give a link to them for the players to download. Newcomers are often reluctant to commit to play a game for which they have never read the rules.

Rules Version and Scale of Miniatures: _____

Minimum Space Required For Your Game: _____

Check out the game descriptions at Historicon online for ideas of how to word the age limits.

Age / List Limits: _____

Pre-registration requirements or list limitations should go here. Copy Harmon with the contact information of all pre-registered players by Feb 19th, 2022.

Maximum Number of Players: _____

Ask the players to bring lists, armies or dice, whatever you cannot provide. Discuss this with us as the best attended games usually have "Everything provided" in the description.

What to bring: _____

Description: 3-4 sentences minimum that describe your setup, the sides, prizes (if applicable) and the objectives. Please see what people post at Historicon for inspiration. Descriptions that are too long could be edited if space is needed in the Program. The editor cannot add sentences to a description without the obvious possibility of error. Adding the title of an Osprey Book, movie or other historical reference will help the players plan for the event. For example, naming the film "They Shall Never Grow Old" and "Peter Jackson" can only make your WWI game more visible in online searches. Please attach a separate sheet of paper with the description. A few excellent photographs of your game in progress or just ranks of miniatures would be a great touch and should be considered mandatory. The photographs should be in print ready resolution. Mail or email the completed form to the Convention Chairman. Harmon Ward, 717 South Ohio Street, Anaheim, CA 92805 or hjw@pacbell.net . I hope to have an online submission form on the website very soon. Thanks. Call me on the weekends to discuss all of this. Weekdays from 7PM until 9:00PM. (714) 414-2749 or in the mornings from 6:30AM until 7:15 AM or lunchtime from noon until 1:00PM.
