Reminder Calls for March:

I would suggest that the call goes something like this: “Hi I am call on behalf of the Historical Miniatures Gaming Society, and want to confirm that you are going to attend our Victory in Van Nuys Event in March, 3/23, at the National Guard Armory located at _____

If you would like to lead an event, please let me know.”

Additionally, Keven Thomas and I did some homework on Range Day. There is a place called Burrell Canyon Shooting Park, out door range, allows black powder and costs \$15 per shooter. If we can come up with a list I can try to negotiate a discount.
